MEF SPOTLIGHT

SCHOLARSHIP RECIPIENTS

The start of the new year gives us time to reflect on the past. The foundation receives notes of gratitude throughout the year. We would like to take this opportunity to share a few thoughts from some of our graduating scholars.

This is my final semester at Mines! I completed my previous semester with all A's and will finish the term strong and finally earn my degree. I have a job off I accepted post-graduation as a Finance Analyst at Lockheed Martin Space and I could not be more grateful for the opportunity I was given through this scholarship. -- A. R. 2020

This scholarship has profoundly impacted my ability to attend college, as it has made pursuing higher education financially possible for me. Thanks to this incredible support, I can focus on my studies without the heavy burden of financial stress. School has been going exceptionally well, and I'm thrilled to share that this semester, I will be studying abroad! This opportunity is a dream come true, and I'm beyond excited to experience a new culture, broaden my perspective, and continue my academic journey in a completely new environment. -- M. B. 2021

I am on track to graduate with a degree in Biology and a minor in Biochemistry. After graduation, I plan to take the MCAT and apply to medical school to further my education and pursue my goal of becoming a physician. Thank you for your continued support, which has played a significant role in helping me reach this stage of my medical and academic journey. -- B. E. 2021

Thank you for making students' dreams come true.

MAKE A DIFFERENCE

Opportunity awaits... Students can apply for financial support up-to \$500 through Make A Difference. Funds awarded are to empower a Mapleton student to attend an academic, enhancement program with a competitive admission process, which are not sponsored by the district (funds may not be used for sports programs or events).

UPCOMING EVENTS

Scholarship Application Launch,
January 31, 2025

Colfax Marathon,
May 17 & 18, 2025

VOLUNTEER

The Foundation has several ways in which to volunteer time, namely by serving on one of the active committees: Fund Development, Scholarship Program, and Event Planning.

Each school site has an opportunity for volunteers, which include parents, staff, school administrators, and community members. We appreciate all the time and support of our volunteers.
