5:30 PM
The Westin Westminster

A NIGHT OF CELEBRATION
AND IMPACT

Our mission is fueled by the stories of our students and the dedication of our educators. A journey captured in the transformative power of "because". The evening will be a celebration of the progress we have made together and an investment in the individual journeys that define our community's future. We invite you to partner with us as we honor these fundamental truths:

because
of teachers, possibilities
grow every day.

because
of students,
we invest in the future.

because
of you, opportunities
become possible.

because
together, we can
make a difference.
